Lakeshore Village | 2 Bed / 2 Bath Villa | 55+ Community From the moment you step inside, serene lake views and soaring cathedral ceilings set the tone for this beautifully renovated 2-bedroom, 2-bath villa in the sought-after Lakeshore Village community ? minutes from the world-famous white sands of Siesta Key. Thoughtfully reimagined in 2023, this villa was taken down to the studs in all the right places. The kitchen was opened to the living area and completely transformed with quartz countertops, new cabinetry, designer backsplash, stainless appliances, updated lighting, and a new ceiling with fan. Both baths received full upgrades including granite countertops, new sinks, faucets, and shower doors ? and the primary bath now features a luxurious soaking tub. New flooring flows throughout. Three oversized skylights and abundant windows bathe the interior in natural light, while three large sliding glass doors retract fully to connect the living space to a 23-foot tiled lanai ? expanding the total living area to over 1,800 sq. ft. The split-bedroom floor plan offers privacy for owners and guests alike, and the inside laundry room adds everyday convenience. A 2-car garage with overhead storage completes the package.
